

PATHWAYS

TO LEARNING, INC

June 20, 2011

Dear Parents,

It is time to start the sign up for the fall schedule. Our last day for the summer schedule is Thursday, August 4th. The fall schedule will start on Monday, August 8th. For those who are new, we schedule on a first come, first served basis. Therefore, if you have limited flexibility in your schedule, remember to get your request in early! Please fill out the enclosed fall schedule form and return it to the office by Monday, July 11th.

In addition to individual tutoring, we are offering the day classes again this year. If your child is struggling to learn in his or her current placement, the day class provides another option. Additional information is available in the office.

Since Karen and I are always looking for ways to improve our services and to stay current with technology, we are now offering in-home tutoring via the internet. If physically transporting your child to our office proves difficult, we can schedule sessions, teach via a webcam and work with your child in the comfort of your home when webcams are linked through internet access.

We recognize the economy is a big factor in everyone's budget. We are doing everything we can to control our costs here at Pathways to Learning. Our tutoring rates for this coming school year will again remain the same.

Thanks you for your continued support of Pathways to Learning, Inc. We look forward to the new school year. We hope it will be a rewarding year as we seek to improve our services to our families. We also hope you and your family have an enjoyable and safe summer.

Sincerely,

David L. Castellon
